

## MILLS BUILDING BICYCLE PARKING WAIVER OF LIABILITY

Individuals taking advantage of bicycle parking in the Mills Building basement must be aware and acknowledge that:

1. Bicycle parking is offered as an accommodation and a convenience for tenants of the Mills Building, 369 Pine Street and 333 Pine Street only.
2. Reasonable efforts have been made by the Mills Building and Ampco Parking System to ensure the safety of bicycles parked in the basement. However, individuals leaving bicycles in the basement do so at their own risk and responsibility. Liability for loss and/or damage will not be accepted by either the Mills Building or Ampco System Parking.
3. For safety purposes, individuals using the bike parking facilities are asked to please walk, not ride, their bikes through the garage.
4. Bikes are **not** allowed to be taken up any of the building elevators. No exceptions will be made.
5. Bicycle parking privileges are revocable at any time at the sole discretion of the Property Management Office.

By signing below I am indicating that I have read, understand, and agree to the terms stated above.
